... has been a banner year at Brooklyn Prep—
a Year of Progress

We have experienced a great change during the past school year. The old Prep has become the new Prep, as we were sitting in its classrooms. Gone are the old gymnasium, cafeteria, locker room. In the places of these venerable spots stand . . .

. . . the modern and new, which will be so familiar to those following our paths at Prep. Truly, there has been great progress, but it is not limited to the material advances which stand before us . . .

... in step with the progress of the Prep has been the day by day progress of the Prepman. This advance is not so clearly seen as the rising of brick upon brick, but it is even a more important advance. From its foundation in the Freshman year, the step-by-step progress produces the finished product, the Prep Graduate—Catholic gentleman and scholar.

TEACHERS' ROOM

Dedication

It only takes a knock on the teachers' room door, at any time in the afternoon, and you are sure to find the helping hand for extra aid in your studies. The lay teachers of the faculty of Brooklyn Prep are truly devoted men. They have spent years in painstaking study obtaining their degrees and doing graduate work. When things became difficult, they always had their vision before them, their one principal aim, improving the world by giving their talents and time to the teaching of good Catholic young men. Their various endeavors around the school are invaluable to the running of an excellent institution of learning. These Catholic gentlemen support school activities and supply the needed spirit to keep the train of societies moving smoothly. When spirit starts to sag and drag, the lay faculty applies its talents to perk up morale. Their every action is an attempt to show Prepmen, by their example, the means of attaining a fuller and more meaningful life. The leadership of these dedicated men helps to show everyone the right path to a prosperous future, spiritually and materially. We can never say enough or do enough to express our thanks and gratitude for the fabulous job that they are doing day in and day out. But to show a small part of our appreciation, we, the Class of '60, dedicate this yearbook to them, the lay faculty of Brooklyn Prep.

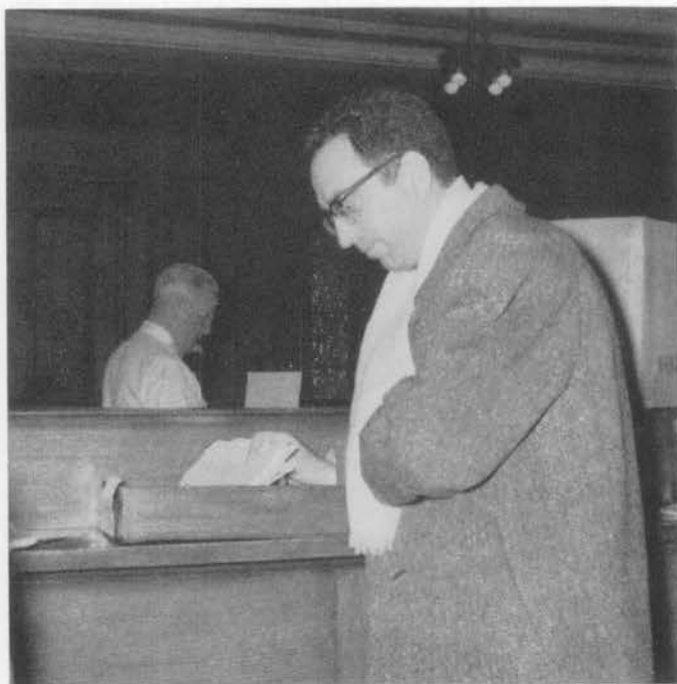

Messrs. Quinn and Doyle scan *The Blue Jug* with enjoyment.

Mr Devlin, the core of Prep's Latin Department.

Mr. Loehfelm's day is only half over.

"They'll never learn."

In Memoriam

Richard Kern

Richard was to be a graduate of the Class of 1960. Those who knew him knew that he was always full of cheer and happiness. Our very human words cannot tell of the grief which held us when we learned of Richard's death in June of 1957. Richard Kern should always stand as a model, to every Prepman, of fight and spirit. May Jesus Christ grant him the everlasting peace of eternal life.

A black and white photograph of a building's steel truss structure, viewed from below. The structure consists of a network of dark, heavy steel beams and lighter, cross-hatched truss members. A large, white, inverted triangle is superimposed over the center of the image, containing the text "Class of 1962".

Prep Wins First

The 1959 football record of 2-4 did not fully reflect the fighting spirit and the fierce determination of the team. At the beginning of the season, it was felt that a line had to be developed to match the experienced backfield of LaRusso, Addeo, McCloskey, and Betron. However, it was not the backfield that stopped Fordham on the six inch line for two plunges. And the scoreboard read 14-8.

With a line now strong and experienced to match the backfield, it seemed as if the team were on its way. However, hindered by a three week lay-off the Blue Eagles were crushed by Poly Prep, the Ivy League Champs, 26-6.

Then came Xavier, at that time undefeated. At the end of the first-half Prep was playing its heart out with the score 12-12. A couple of bad breaks on our part gave Xavier its sixth victory in a row, 24-12.

Seton Hall made the long trip from Patchogue, L.I., the following week. The real excitement came with two minutes left in the game and Prep having a deficit of seven points. It was becoming clear that Prep was going to lose again when suddenly they made a fifty-yard drive scoring six points. They missed in their attempt for an extra point, and lost 14-13.

A beautiful day was in the making as the people crowded into Brooklyn College Field on the last Thursday of November. The bands were playing and the reminiscences were flying as Prep and St. John's were warming up. The game proved to be a quiet victory, with Barry McCloskey running the ball over the line in the first half for the only touchdown of the game.

The season proved to be successful for Prep in spite of its record. The attendance at the games was great and the spirit of the crowd was even greater. The team played its heart out and so did its followers. The team and its supporters showed the opposition and the alumni that 'never say die spirit' which typifies Brooklyn Prep.

Coach Gibbons was pleasantly surprised on that sunny day in mid-September to see the fine turnout for the Jayvee squad. However, in the huge horde, not many veterans could be seen. The team registered a 2-3 record, but, on the brighter side, many of tomorrow's stars were discovered. The most exciting game of the season was the 26-0 shellacking of the invaders from St. John's. This would indicate slim pickings for the Redmen on future Turkey Days. On a team which was practically all-rookie, it is almost impossible to single out individual stars. Theirs was truly a team effort. Big Dom Riccio was awarded the trophy as the most improved player on the squad, an honor deserved by the husky fullback, who for the past year has been a great ground gainer and a savage tackler on defense. Chuck Campanova was also a standout with his breath taking catches.

Dust Bowl to 4D

Again this year, the Seniors came out on top in the Intramural football playoffs, but it took the "Giants" of 4D two days to crush a stubborn 3B team. The final score was 6-0. The game began on Tuesday, but was called at a late hour with the score deadlocked 0-0. The following afternoon, the Seniors squeezed over the golden six points. Standouts for the Seniors of 4D were Pete Jones, Joe Fellingham, and Bill Breuer. Ron Murphy, Bill Dockery, and Charley Dooley shone for the vanquished Juniors.

In the lower division, an enthusiastic 1F club turned the tables on the Sophomore champs, 2F. The score in this upset was 12-6. 1F was led in its drive to the title by Jimmy Polito and Frank Carberry. The stalwarts of 2F were Bill Massot, Bill Fusco, and Mike Bowles.

Cross Country

It is not only the mailman who is not stopped by rain, sleet, or snow; but this is also true of Mr. Lawrence's cross country cohort. There were not many veterans returning from last year's squad. Gone were Charlie Buchta, Bill Clancy, and company. Into their well worn track shoes jumped Captain Denny Rhyne, George and Steve Long, Bobby Clarke, and Stan Bartnikowski. This squad toiled through the wet and windy Autumn on the hills of Van Cortlandt Park.

The high point of the season came at the Eastern Interscholastic Meet sponsored by Fordham University. Prep's squad finished third in the Class B championship race. The first five men for the Blue and White in this contest were Bartnikowski, Clarke, Steve Long, Leitrim, and Mike Ryan.

The leading Frosh runners, trying the mile and a quarter course for the first time, were Johnny Backus, Denny Foley, and Ron Fryer.

Next year's team will benefit greatly from the experience gained this year. 1959 was the year when rookies were becoming veterans.

Richie Kane puts top on mile and a quarter run.

Swimming

1960 proved to be a year of rebuilding for the Prep swimmers, with a record of 2-5. The team was almost drowned by graduation. There were only three senior members and most of the burden fell on the younger members of the squad. Artie Krener, Drew Brennan, and Bill Egan and Junior Ed Carrington were amassing many points, while at the same time they were helping Coach Doolan with the inexperienced swimmers.

The youngsters rose to the occasion and towards the end of the season they showed tremendous potential. Led by Bobby Beck and Jim Rowley, they should soon return to Prep's winning tradition. Rounding out the team were Bob Dalton, Pete Patterson, Tim Feehan, Dan Mahoney, Tom Brady, and Tom Bell.

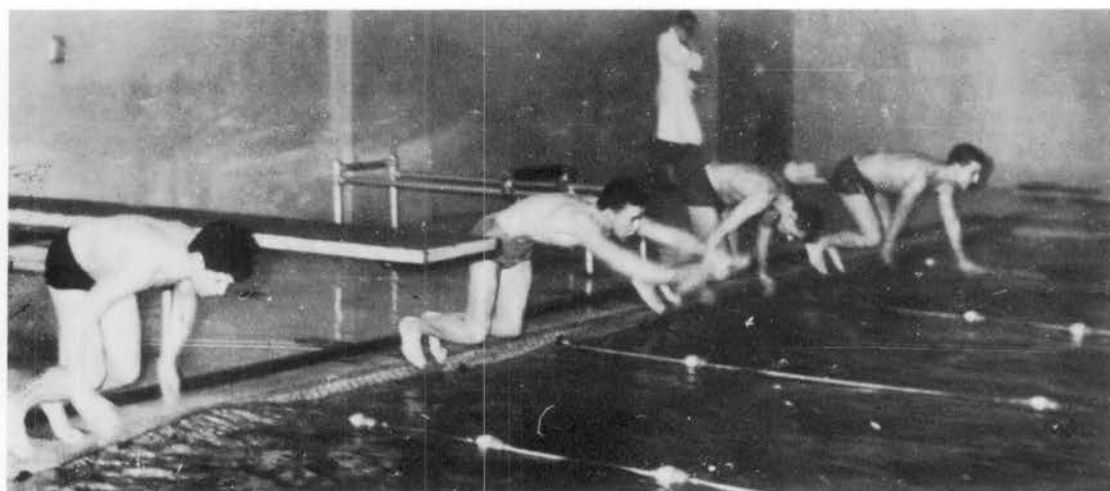

Prep's best event by far was the diving. Junior Joe Cassidy and Soph Don DeVita gave us the best diving duo in the city. The heart-breaking meet of the season was against St. John's Prep. Prep managed to stun the much stronger Redmen only to lose the meet by a matter of inches in the final event.

Joe Cassidy beamed forth as the brightest light in an otherwise dark season. Consistently placing in every meet he entered, his peak came in the National Catholic Championship Meet in Philadelphia, where he took third place.

Basketball

With the close of the Thanksgiving Day Football game, interest begins to shift to the basketball team. Everyone is talking basketball. You can hear the familiar names of the current basketball stars ringing out in the corridor.

For a time, it looked as if Prep would go through the season with a romping record after its 89-56 win over the Alumni. We came so close in many games, losing by one, two, three, and three points to Fordham, Xavier, Regis, and Xaverian respectively. Bill Dreher, Pete Sullivan, Bill Dockery, along with the rest of the squad, showed us the spirit and ability which helped the team make its late season surge in which it won five out of its last nine games. Brilliant victories against Rice, Adelphi, Xavier, and Cathedral highlighted the Prep Basketball season.

Its nice to win, but as anyone who has played competitive sports will tell you, this is not the most important thing. The team had a hard time getting started and never showed its true capabilities until the end of the season. For the players it was another great experience in the course of maturing. We are sure that Prep teams in the future will bear the competitive spirit which this year's team produced.

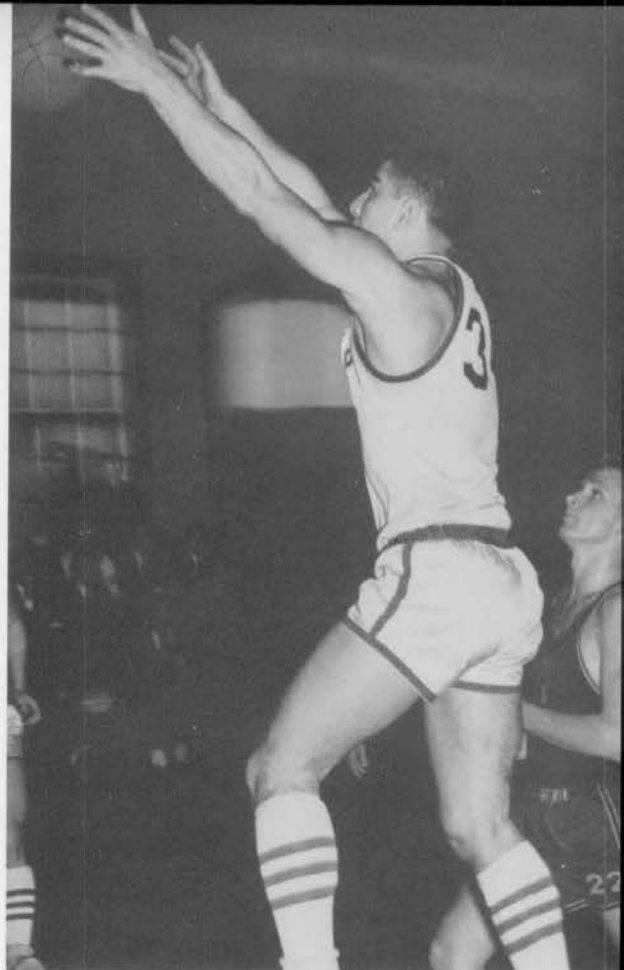

Front Row: Addeo, Carpentier, Dreher, E. Ryan, O'Connor, White, Mgr. Back Row: Jones, Mgr., Murphy, Jones, Dockery, Crook, R. Ryan, Sullivan, Cafaro, Mgr.

Daly, Romano, Marcel, and Venazio, Prep's outstanding relay team.

Rhyne prepares for a sudden sprint.

Kraft gives it that little extra.

Track

For the first time in many years, Prep's sprint relay team stole the spotlight from the distance men. Co-Captains Mike Venazio and Len Marcel plus Denny Rhyne and Tim Daly combined speed and experience to place fourth in the 1000 yd. relay in the National High School Championships with a school record of 1:49.5. This same team also captured the Brooklyn-Long Island 880 yd. relay crown with a meet record of 1:37.2. With Bob Romano and Fred Bleakley replacing Rhyne and Daly, Prep's speedsters took the six lap relay crown with a meet record of 1:48.4.

Romano, the school record holder in the hurdles (:08.1) and a 20 foot broad jumper, proved to be a top point scorer and valuable asset to the team.

The junior contingent was led by Stan Bartnikowski, whose 4:35 mile makes him one of the foremost contenders for distance honors next year. Others, including Stu Milisci, Tom Kraft, and Fred Bleakley, will keep up Prep's fine record.

As Blue Book 1960 goes to press, the baseball team is enjoying a fairly successful season. The record stands at 4-4. McClancy, St. Francis, Chaminade, and Loughlin fell before the Prep while losses were suffered at the hands of St. John's, Xaverian, Molloy, and Holy Cross.

The brightest spot on this year's club is the superb pitching of lefty Paul Quayle. He has struck out 55 batters in 31 innings and has a won-lost record of 2-1. Not only has Paul been called upon to start every other game, but he has relieved effectively. His worth is beyond estimation. In the shadow of this clever lefty stands Frank Orkin with a won-lost record of 2-2. He too has been called upon to pitch just about every other game. The rest of the mound corps consists of Wally Kuhn, Jerry Carpentier and Ed Ryan.

The hitting, thin at the beginning of the season, has become more powerful as the season progressed. Home runs have been blasted by Joe Cassidy and Ed Draney, junior outfielders. The clubs leading batter has been Ed Draney.

The club is looking forward to an even more successful second half of the season and to being the winningest prep team this year.

PARENTS:

have you compared the cost of education loans?

You owe it to yourself to compare loan costs with the cost of the Insured Education Loan Plan of Manufacturers Trust Company.

For example, a four year, \$4,000 education loan from Manufacturers Trust costs only \$143.84.

A Personal Credit Counselor in any of our banking offices will help you borrow from \$300 to \$10,000—to finance education at any level—from primary grades to post graduate or business schooling—and for one to four years. You can take up to six years to repay.

Your life is insured at all times for the unpaid balance, thus assuring that the education of your son or daughter will be continued.

Before you borrow, come in and talk it over with one of our Personal Credit Counselors. He'll be glad to arrange an education loan for you. One of our 114 banking offices is very near where you live or work. 67 of them are open Monday evenings 6 to 8 p. m.

Typical Manufacturers Trust low-cost education loans

Amount to be Financed	Course of Study	Period of Repayment	Monthly Repayment*	Cost per Year*
\$ 1,000	1 year	12 months	\$ 85.41	\$ 24.92

Turning the pages of our book of experience reveals a long list of localities we have dutifully and satisfactorily served.

The ENGRAVATONE special method of producing better and economical college and school annuals needs no greater recommendation than the honest acclaim of the editors and staff members who have assisted in producing these books, year after year.

We take pride in calling these faithful workers our friends and can truthfully say their untiring efforts and cooperation have made their own special annual consistently better each year.

[Illegible text in the right column]

Dear Reader,

After four years in these halls of Brooklyn Prep, I claim the right to speak not only for myself but for every spirited senior at Prep.

I want to thank my parents, whose sacrifices have enabled me to come to Prep. To them I cannot yet fully express my gratitude.

I want to thank the Prep as an institution for the opportunities it has given me which have helped develop my character. I only regret that I did not make better use of them.

I want to thank every member of the faculty not only for the knowledge they have imparted to me but also for the example and the friendship which they have given so freely.

I want to thank all the members of the senior class for their friendship. I shall cherish it always.

All of these things have helped me to determine a "Set of Values" which will guide me through the rest of my life.

To the underclassmen I would like to say this: Prep can give you more than you imagine; the determining factor is the amount of yourself that you give to it. Prep is religious, scholastic, intellectual, athletic, and social. Aim at attaining all you can in all of these divisions and not in merely one. If you do this, you will become a well-rounded individual, a man, and you will continue the traditions established by your predecessors.

Gratefully yours,
A Senior
